## The Diverse economic organization

From start-ups to large companies with sales in excess of 1 trillion Yen, JANE is the only economic association in Japan that opens its doors to all companies that are reform-oriented and focused on future growth.

## Policy Recommendations for the Economic Growth in Japan

“Innovation”, “Entrepreneurship”, and “Globalization” are the guiding principles behind JANE. We submit more than 50 policy proposals and opinion pieces per year to the government and political parties.

## Networking and information exchange among business leaders

JANE is unique in that entrepreneurs participate in seminars and events to build their networks. We hold 50 to 60 events per year.
